14th GENERAL MEETING OF EUROPEAN WOMEN IN MATHEMATICS

Novi Sad, August 25--28, 2009

FIRST ANNOUNCEMENT

The 14th general meeting of European Women in Mathematics ([EWM](#)) will take place in [Novi Sad](#), Serbia during August 25-28, 2009. You are warmly invited to participate in the conference.

For more than 20 years EWM has organized [biennial conferences](#) which are open to members as well as non-members of EWM. The most recent, [the 13th general meeting](#), took place in September 2007, at the University of Cambridge, UK, gathering more than 100 women mathematicians from various fields of research.

In August of next year, the 14th general meeting of EWM will be held at the [Department of Mathematics and Informatics, Faculty of Science and Mathematics, University of Novi Sad](#). The 2009 European Mathematical Society lecturer will be Professor [Ingrid Daubechies](#), of Princeton University, and she will give some of her EMS lectures at the EWM meeting in Novi Sad.

Located on the Danube River, [Novi Sad](#) is the urban center of northern Serbia, its second largest city and the capital of the Autonomous Province of Vojvodina. Novi Sad is a hospitable town; we hope that you will enjoy its open-hearted welcome.

In order to organize the meeting successfully, we would be very grateful if you could let us know in advance the following information:

1. Whether you will
 - (a) very likely or
 - (b) possiblyparticipate in the conference.
2. Whether you would like to join our conference mailing list; the members of the mailing list will be given regular information about the meeting.
3. Whether you would like to participate but would need financial support.

We are currently applying for some financial support for the meeting. However financial support for participants will be very limited and will in any case not cover more than partial living expenses during the meeting. Travel expenses will be left for participants' home institutions.

Other relevant information on the 14th general meeting of EWM can be found at <http://womenandmath.wordpress.com/>.

Please reply to us as soon as possible at ewm2009@im.ns.ac.yu.

Looking forward to hearing from you,
